

Dr. Joshua J. Canter D.M.D.

Notice of Privacy Practices

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

NY state dept. of health 718-420-5350

Our Promise to You and Our Legal Obligations

The privacy of your health information is important to us. We understand that your health information is personal and we are committed to protecting it. This Notice describes how we may use and disclose your protected health information to carry out treatment, payment or health care operations and for other purposes that are permitted or required by law. It also describes your rights to access and control your protected health information. Protected health information is information about you, including demographic information, that may identify you and that relates to your past, present or future physical or mental health or condition and related health care services.

We are required by law to:

- Maintain the privacy of your protected health information;
- Give you this Notice of our legal duties and privacy practices with respect to that information; and
- Abide by the terms of our Notice that is currently in effect.

How We May Use or Disclose Your Health Information

The following examples describe different ways we may use or disclose your health information. These examples are not meant to be exhaustive. We are permitted by law to use and disclose your health information for the following purposes:

- 1. Treatment.** We may use your health information to provide you with dental treatment or services, such as cleaning or examining your teeth or performing dental procedures. We may disclose health information about you to dental specialists, physicians, or other health care professionals involved in your care. Additionally, this includes sending out radiographic images to your insurance, yourself, and specialists involved in your treatment.
- 2. Payment.** We may use and disclose your health information to obtain payment from health plans and insurers for the care that we provide to you.
- 3. Health Care Operations.** We may use and disclose health information about you in connection with health care operations necessary to run our practice, including review of our treatment and services, training, evaluating the performance of our staff and health

care professionals, quality assurance, financial or billing audits, legal matters, and business planning and development.

4. **Disclosure to Family Members and Friends.** We may disclose your health information to a family member or friend who is involved with your care or payment for your care if you do not object or, if you are not present, we believe it is in your best interest to do so.
5. **Lawsuits and Legal Actions.** We may disclose patient health information in response to (i) a court or administrative order or (ii) a subpoena, discovery request, or other lawful process that is not ordered by a court if efforts have been made to notify the patient or to obtain an order protecting the information requested.
6. **Law Enforcement Purposes.** We may disclose your health information to a law enforcement official for a law enforcement purposes, such as to identify or locate a suspect, material witness or missing person or to alert law enforcement of a crime.
7. **Coroners, Medical Examiners and Funeral Directors.** We may disclose your health information to a coroner, medical examiner or funeral director to allow them to carry out their duties.
